

## C510 INDOOR CYCLE

SportsArt takes your indoor cycle class to a whole new level of energy and competition. With a precision machined flywheel, fully enclosed drive belt, and extra wide base, the C510 offers an experience most users have never felt before. Combining ergonomic handlebars and user-focused feature adjustability; users can focus on their workout, rather than their ride position.

- Simple adjustment levers lock into place quickly
- Multi-position resistance with easy control knob and emergency stop for safety
- Whisper quiet poly-v belt offers smooth, consistent motion
- Universal 9/16ths thread allows for use of aftermarket pedals
